Lades opp i 24 timer under et lys før utsetting  
Ikke under sparepære.

Technical features:

Item	Description	
Model No	RSPS-T360-F	
Size:	DIA116*25mm	
Weight:	0.292kgs	
Packing:	In carton. 48 pcs/carton, Carton size: 38*28*28cm, 52000pcs/20FT container	
Solar cell	Type	Mono crystalline
Battery	Type	Heat-resistance Ni-MH
	Circle life	1000 circle (over 3 year)
	Work temperature	-20°C~+70°C
LED	frequency	2Hz
	size	Φ5mm
	number	8 PCS
	Color	White, yellow, red, blue, green
	Flash way	Blink
Output on full charge	72 hours' blinking	
Time to full charge	Time to full charge 8 hr in 100Klux(sunny day)	
Compression resistance	over 10 Ton	
Starting intensity	300 LUX	
Application situation	Edge line	
Life in use	3 year	
Warrant	1year	
Material of body shell:	PC	
Material of body inside	Epoxy glue	
Water proof	IP68	
View distance:	over 1000m
